- 1 large apple, peeled, cored & diced (about 1 cup)
- 1 teaspoon cinnamon
- 3 tablespoons brown sugar
- 1 box pie crust
- 1 egg yolk for wash

1. Get an adult's help with the oven. Set to 425° F!

3. Unroll pie crust onto a floured surface. 
4. Take a drinking glass, flip it upside down and cut out circles out of the pie crust. 
5. Place 2 teaspoons of the apple mixture in the center of the circle. 
6. Brush some egg yolk on the edge of one side of half the circle.
